Additional Updates

2025 DRC Compost sales are still going on while supplies last. [Click here](#) for more details.

DRC and Community Chest begin summer hours on June 1st.

Senator Jesse Kiehl will be in Gustavus! There will be a town hall at the GCC on 7-10-2025 from 5pm-7pm. He will also hold office hours at the Fireweed Gallery on 7-11-2025 from 11am-1pm. [Click here for flyer](#).

Medevac companions and Real ID: In accordance with the Transportation Security Administration (TSA) federal mandate for REAL ID compliance that is now in effect, all individuals accompanying patients on our medevac flights (significant others, family members, friends, caregivers, etc.) will be required to present REAL ID-compliant identification. **Please note: This requirement applies to all patient companions, not to patients themselves.** The most commonly seen are a REAL ID-compliant driver's license (marked with a star in the upper corner), an enhanced driver's license, a US passport, or a foreign passport, among many others.

Emergency 911 calls – Is your registered cell location up to date?

When you need help you need it now.

Is your cell phone registered out of town?

To ensure proper routing of 911 calls update your Emergency Address.

To streamline 911 response to your location you must change your address in your phone.

GCI: Calls made to emergency services using Wi-Fi Calling will use a "Registered Location". A Registered Location is **the most recent information identifying the physical location of a user**. You can update your Wi-Fi Registered Location for emergency calls by going to your handset settings and updating the address or by contacting GCI at [800-800-4800](tel:800-800-4800). It is your responsibility to keep this information up to date. Failing to do so may prevent emergency services from being properly routed to your physical location."

AT&T FirstNet: You can change your Emergency Address at any time by selecting "Update Emergency Address" in your Wi-Fi Calling menu. **Do Not Delay. Update your cell phone address now.**

Thank you to all our EMS/Fire/Dispatch volunteers to help keep our community safe, we appreciate you.
