

PUBLIC INPUT REQUESTED!

GUSTAVUS BEACH

Chris Carpeneti, Natural Resource Specialist with the Alaska Department of Natural Resources will be here on Tuesday, June 26th to review progress on the proposed Environmental Development Plan and Cooperative Management Agreement for the Gustavus Beach. Gustavus City Council is collaborating with the State of Alaska to take steps toward cooperatively managing the two tracts of land on the east and west side of the dock (Tract A and B in the map below). This is your chance to provide input about your concerns directly to DNR.

Join Us at the Beach at 1:30 PM for a public field trip and work session followed by a Public Hearing from 3:00 PM-4:00 PM at City Hall.
