The Gustavus City Council will be holding a Sales Tax Restructure Town Hall Discussion at City Hall on August 20th at 10am-12pm and August 22nd at 6-8pm. The two days of discussion are in hopes of accommodating all community members.

The City of Gustavus will be holding a series of Town Hall meetings over the next couple months at City Hall. The purpose of the Town Hall Meeting Series is to ask for your input on significant topics that may be considered by the City Council – the City Council NEEDS your input.

This type of public meeting is designed to provide an overview of the subject, allow for community participation, and receive feedback about the topic.

We look forward to hearing your thoughts!

With a growing community, there is increased demand for services. To have the ability to provide the level of service desired, the City may need to generate additional revenue. The City Council needs your input about the continuation of existing services, additional services, and the possible restructuring of the City's sales tax. For example, an increase to sales tax that adds 1% to the existing sales tax, or a summer seasonal increase when Gustavus has the greatest number of people.
