Totals:	1203	1250	887

**Harry Potter** showed up for his very first birthday party at the Library!

This was one of 27 events hosted at the library during the Summer Reading Program.

#### Summer 2018 Activities/Programs:

Yoga **Tutoring Sessions** Committee Meetings Class Visits

Toddler Play Time Political Candidate Visits

Music Lessons Homeschool Story Time

French Lessons Piano Lessons Read with a Ranger Library Band **Knitting Group NPS** Discovery Days **Test Proctoring** Quilting Group Special SR Events

**SEAL** Trust **GVA Meetings** 

**GCC** Meetings Park Service Training

#### **Summer Reading Program Summary:**

This year, we expanded the Summer Reading Program to include all ages for the first time. Summer Readers ranging from infant to adult worked on a self-paced Star Chart, which encouraged reading and other learning activities of the participant's choice. We worked with local businesses and community members to create incentives for completing rows of the chart, including prize clues for children and teens, and raffle tickets for all ages. Larger prizes were raffled off at the end of the summer.

We divided up weekly children's programs by age group: Summer Story Hour for ages six and under, and Read with a Ranger for ages six and above. Snacks and small incentives were incorporated into both Summer Story Hour and Read with a Ranger programs. Weekly attendance for each program ranged from 12-34 people.

Two Summer Discovery Days were also hosted at the library this summer for children. The Read with a Ranger program and Summer Discovery Days rekindled a collaborative effort between the library and the National Park Service, and we have already developed plans to keep this collaboration growing for years to come.

For teens and tweens, we developed a special incentive program inspired by a similar program at another Alaska library. Any student entering middle or high school received an instant-win scratch ticket each time they checked out a book (one per day). Winning tickets were instantly redeemable for a prize. The goal of this program was to help increase teen readership over the summer months, as well as to encourage teen participation in the Summer Reading program.

Additionally, we scheduled Special Events for children, teens, and all-ages, including Poetry Open Mic Night (all ages), a Wizarding Evening in celebration of JK Rowling's birthday (all ages), Friday the 13th Scary Stories (children), and Teen Sharpie Art Night (for teens and tweens). Overall, we hosted 27 Summer Reading Events, with a total of 522 attendees.

Trinity Cutting, our first Summer Reading Intern through the Gustavus School, was a huge asset over the course of the summer. Additionally, we benefited from the help of six Summer Reading Volunteers, five of whom were under the age of 18, as well as 15 local community partners/contributors. The Alaska State Library provided materials and support, the Anchorage Public Library provided a template for the Star Charts, and many of the other inspirations for programming came directly from collaboration with librarians across the state during the previous year's AKLA conference. Altogether, 104 individuals participated in Summer Reading, an increase from 2017 of 69 people.

#### **Summer Reading Statistics**

Child Participants	46
Teen/Tween Participants	23
Adult Participants	35
Total Summer Reading Events Hosted	27
Total Summer Reading Event Attendees	552 (133 preschool-age, 144 elementary, 62 teen/tween, 183 adult)

#### **Upcoming Fall Programming:**

Weekly Story Hour and class visits from preschool and elementary classes have already begun. We hope to provide additional opportunities for students and teachers to make use of the library during school hours. Jen has reached out individually to all teachers from preschool through high school, letting them know what services the library can currently offer them and their students, and requesting suggestions about additional ways the library might be able to support them. So far, response has been positive. Several teachers have already taken advantage of

programming opportunities and teacher accounts to check out library items for their classes.

With the purchase of a one-year movie license, the library will be able to host movie viewings for the public, a service which was requested several times by patrons over the summer. The first screening is scheduled for October 26<sup>th</sup>. Already this Fall, the library worked with the school to support a documentary screening of the film *Screenagers*, which was requested by one of our patrons. This event was attended by 37 people, and we expect a positive turnout for future movie nights.

By popular demand, the library will host a Fall Book Club as well, with title and meeting date to be determined. The library will continue to host events and meetings as requested by the community, and additional library programming will be developed to meet current community needs and as staff time allows.

#### 2. Status of Active or Upcoming Grants:

FY19 PLA has arrived and we have been purchasing roughly 50 books a month. We also order 10 - 20 books a month with the McNaughton subscription. Based on circulation criteria, we will continue to weed

the collection and purchase new materials in the upcoming grant cycle to meet the current needs of the community.

We plan to submit a proposal for the endowment grant this year.

#### 3. Status of Active or Upcoming Contracts:

We are still working down our list of tech issues to be resolved. Currently, Leo Judy is working on our six iPads that have been troublesome and a huge time hog in the past. Leo heard our needs, did some research and we have decided to purchase a small Mac Mini laptop (Microsoft won't work for iTunes any longer) that will allow the updating and handling of all six iPads and their contents simultaneously.

Our roof contract, as Council Member Cheryl Cook has explained, has been cancelled due to the discovery of rot in the main beam of the roof. Cheryl is working with an engineer who will let us know how to move ahead. I was led to a Rasmussen Grant that would be perfect for our building, up to \$25,000. This also leads back to the ongoing conversation of expansion. The building was built to support an eventual expansion and considering we may have replace the entire roof, this might be the time to take a hard look into this. A CIP Short From was submitted last year that spoke of our needs for additional space to support our patrons.

#### 4. Existing projects:

- In response to patron feedback that the library appeared cluttered, we have made efforts to increase our weeding of materials which are no longer being used by the community, as well to improve the visual appeal of library materials by creating more out-facing displays, and decreasing the number of books on the bottom shelves to improve visibility. Additionally, we began partnering with the Community Chest so that we are cycling decommissioned books out of the front room to reduce clutter there and to help get these materials distributed to more people in the community. A volunteer is now sorting through our discarded books and bringing the usable ones to the Community Chest.
- Library cards are in the process of being mailed out to our patrons. This is long overdue as it has become part of the much-needed updating of our patron list. Our policy states that patron accounts will be removed from the library system after 3 years of inactivity, unless a patron requests otherwise.
- As previously reported, our online catalog is up and running. Use it from home to see what we have here in Gustavus or while travelling develop suggestions for our library to acquire.
- Library Policies have been updated and are available in a binder at the front desk as well as on the library website for patrons to view. We will continue to update these policies as needed.
- The YA section of our library is still waiting on the corner unit. We have attempted to contact our contractor, Butch, and hope to have this project completed in the next quarter.
- The water sample report was emailed to the Council in late September. It shows the library is well below the current action level. PFOS was detected at an estimated 1.5 ppt and PFHxS was detected at an estimated 1.1 ppt in the water sample collected from our well. After coordinating with the ADEC and/or ADOT they may request to sample our well again.

• The new LED light bulbs are saving money on the electric bill, as we predicted. A very rough estimate is around \$50 a month in savings.

#### 5. Past, Current & Upcoming Trainings:

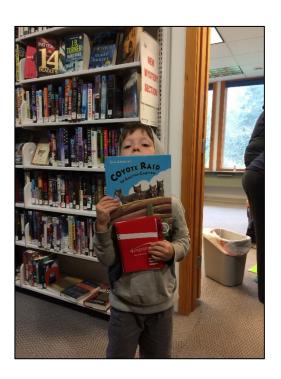

Nothing to report at this time.

#### 6. Budget:

We have a few items to bring up at the upcoming round of budget talks:

- Septic Pump out
- Annual Movie License for movie events
- More shipping allotted for ILL returns
- Program materials
- Piano tuning
- Bike shelter and shed

Thank you all for being such a great Council - we all appreciate your work.

#### October 8, 2018 General Meeting Treasurer's Report

Phoebe Vanselow

Fiscal Year 2018 (FY18) is almost closed! We are waiting on one more bill to close the final remaining purchase order. I have contacted Altman, Rogers, & Co. about utilizing their review services (in lieu of an audit, which is not mandated for FY18), per the City Council's request at the 1/8/18 work session. Their previous engagement letter from January estimated a fee of \$10,500, excluding out-of-pocket costs. This is budgeted for in the Admin budget's Administrative Costs line-item.

I have finally started my job at Glacier Bay National Park, so I have reduced my hours at City Hall effective 10/1/18 per the City Council's approval at the 6/11/18 General Meeting. I am at City Hall Monday-Wednesday afternoons and all day Thursdays.

It has been a pleasure to have Tom Williams on board as City Administrator, and it is already apparent how much this position will help with the transition between Mayors and new council members.

I will be attending the annual Alaska Government Finance Officers Association conference in Anchorage Nov. 12-14, 2018 (with the concurrent clerks' conference and newly elected officials training). City Hall will be closed or have limited hours staffed by volunteers Tuesday-Wednesday that week (closed Monday for Veterans Day holiday).

These items will be coming up in the near-term:

- Endowment Fund Grant applications are due 10/31. These will be reviewed in November and December with grants awarded at the 12/10/18 General Meeting.
- We will be revisiting the Capital Improvement Plan in the next couple months to update and
  prioritize for the next five years. Though funding is unlikely, we have been encouraged to still
  submit requests to the state legislature for capital improvement projects. We will want to have
  these identified and resolutions supporting our choices ready for the 1/14/19 General Meeting.
- Budget efforts for FY20 will begin with the city departments in early 2019.

#### **CITY ADMINISTRATOR'S REPORT**

It has been a busy 3 weeks with a variety of topics and issues to familiarize myself with. The following is a brief description of items that have new information or items that I am asking for direction.

#### **PFAS**

The City's insurance carrier and brought them up to speed with the situation. The state's risk management director has been in contact with them. As more information comes forward we will transmit it to you.

#### **FLAP**

A meeting is set with the NPS Supervisor after this report is submitted and an update e-mail has been sent out to each of you by Friday the 5<sup>th</sup>. Are there any questions?

#### INTERTIE

A meeting with the NPS Supervisor was held on Thursday, October 4<sup>th</sup>. An update e-mail by Friday the 5<sup>th</sup>. Are there any questions?

#### **GVA**

I met with the GVA twice to discuss its budget and operations. It appears to me that there is some confusion on the expectations for the GVA by the Council. Specifically, what information is the Council looking for in order to demonstrate its productivity in bringing visitors to Gustavus? Also, what information could it provide to justify an increase in the operating budget by the Council? The presumption is that the Council limits the GVA budget because of a failure to identify how the GVA efforts bring visitors, and the economy associated with them, to Gustavus.

Would the Council be interested in meeting with the GVA during a work-session in December to discuss the issue so that the upcoming budget request can address these, and any other concerns? In preparation for such a meeting I would acquire materials prior to the meeting for the Council to review in order to have insight into the issues.

#### Strategic Plan

A draft of the work to date will be sent out on Monday the 8<sup>th</sup> for the work-session on the 10<sup>th</sup>.

#### **Code of Ordinances**

Updates are being drafted for Title 2 & 3 of the Code to move detailed information into policy format and keep the text of the Ordinance consistent with form and function. Drafts of the updates will be sent out by October 15<sup>th</sup>.

#### CITY ADMINISTRATOR'S REPORT

#### **Bills Drive**

A review of documents is being conducted by the City Attorney's office. It is expected that comments will be received shortly.

#### CITY OF GUSTAVUS, ALASKA POLICIES AND PROCEDURES

#### TITLE: POLICY AND PROCEDURE FOR AUTHORIZED ACCOUNT SIGNERS AND ADMINISTRATIVE ACCOUNT ACCESS

#### BACKGROUND:

With staff turnover and City Council annual elections, maintaining a limited, up-to-date pool of authorized signers and persons with administrative account access is critical.

#### **POLICY:**

In compliance with its fiduciary responsibility as established in State Statute and City code, the City of Gustavus adopts a policy to annually update all current council members as authorized signatories for city funds held in such federally insured commercial banks, savings and loan associations, or investment accounts as the council may authorize by resolution. In addition, the current City Hall staff, as specified below, are granted administrative account access as outlined below to implement decisions made by the City Council and conduct City of Gustavus business.

#### PROCEDURE:

After the Municipal Election results are certified each October, the City Treasurer shall contact the following account holders to follow the process for ensuring all current City Council members are listed as authorized signers and all previous City Council members are revoked as authorized signers.

- First National Bank Alaska (FNBA)
  - o checking, Endowment Fund Grant checking, savings
- Mitsubishi UFJ Financial Group FNBA collateralized account
- Alaska Municipal League Investment Pool (AMLIP)
  - o accounts held through Key Bank

After a new Mayor is elected or a new City Administrator, City Clerk, or City Treasurer is hired, the following accounts shall be updated to grant the new employee or Mayor administrative account access and to revoke all previous authorized users.

- Alaska Permanent Capital Management (APCM) Endowment Fund held through Charles Schwab
  - o City Administrator, City Treasurer, Mayor, Vice-Mayor
- Lincoln Financial Group
  - o City Administrator, City Treasurer, Mayor
- Alaska Communications (ACS)
  - o City Administrator, City Treasurer, City Clerk
- Bank of America
  - o City Administrator, City Treasurer
  - o VISA cardholders include the Treasurer, Fire Chief, Administrative Librarian, Disposal & Recycling Center Manager
- City of Gustavus Health Insurance Provider: Premera Blue Cross/Blue Shield of AK
  - o City Administrator, City Treasurer
- Alaska Medicaid
  - o City Administrator, City Treasurer, Systems Design West (billing contractor)
- Medicare
  - o City Administrator, City Treasurer, Fire Chief, Systems Design West

#### CITY OF GUSTAVUS, ALASKA RESOLUTION CY18-28

#### A RESOLUTION BY THE CITY OF GUSTAVUS TO UPDATE AND ESTABLISH PENALTIES

**WHEREAS,** the City of Gustavus Ordinance Title 4 provides for the authority to comprise penalties as a means fulfill the requirements of the Ordinance; and

**WHEREAS,** the City of Gustavus Title 4, paragraph (a) states: "There shall be levied a flat-rate fish box tax of ten dollars (\$10.00) per fish box leaving Gustavus, Alaska, containing packaged fish and/or seafood caught or taken and retained as part of a fish charter."; and

**WHEREAS,** the City of Gustavus Title 4, paragraph (b) states: "The sticker attesting to the payment of the fish box flat-rate tax shall be affixed to one (1) of the small ends of each fish box leaving Gustavus, Alaska; and

**WHEREAS,** the sticker shall be affixed to the box prior to reaching point of debarkation; and

**WHEREAS,** the Gustavus City Council believes the Code of Ordinances should be reviewed and updated as deemed appropriate; and

**WHEREAS,** the Gustavus City Council has reviewed the Title 4 and found that a policy was needed to ensure compliance with the Ordinance by establishing the following penalty schedule:

First Offense: two-hundred and fifty dollars (\$250.00)

Second Offense: five-hundred dollars (\$500.00)

Subsequent Offense: determined by the Gustavus City Council

**NOW THEREFORE BE IT RESOLVED,** that the Gustavus City Council adopts the attached schedule for penalties for noncompliance with Title 4 effective April 1, 2018.
