

Gabriella (Bella) Furr

City Council Seat D, 2-Years left of a 3-Year Term ending 2023

gabriella.furr@gmail.com

Biographical Information:

I grew up in Tucson, Arizona and have lived in many states chasing adventurous opportunities. I landed in Gustavus in 2018 to conduct a visitor use study in Glacier Bay. Shortly after graduating from Utah State University, I packed my bags and moved here! I have genuinely enjoyed learning about this place and becoming part of this community, and I believe sitting on City Council will allow me to share my appreciation.

Advocacy Statement:

I value actively listening to community members, taking action to see the change you want, and giving back in meaningful ways. I am passionate about environmental conservation and social justice, and I trust data-driven science. I look forward to engaging in positive discussions, asking important questions, and guiding decisions that will benefit this community in the short- and long-term.
