

Paul Philip Dzubay

Council Seat E, 3-Year term ending in 2024

Biographical Information:

Hi, my name is Paul Dzubay (Tall Paul). I have been a resident of Gustavus for 4 years now. I moved here from central MN back in August of 2017. I sold my house there and bought 10 acres here in the Rink Creek area right on the park border. I built a simple twelve by twelve cabin which is just enough room for my dog Abby. I enjoy picking berries and making preserves. This time of year, I also like catching Coho. I love the area and the friendliness of the great people here!
