LETTER OF APPRECIATION

Library Administrative Director, Michelle Snowden

On behalf of the City Council and staff, we wish you the greatest success in your future endeavors. Since joining the City on August 17, 2020, you have brought spirit and professionalism that enriched the community.

With your leadership and teamwork, the administration of the library enabled the City to continue providing for the needs of the community. Your efforts to provide for those who felt isolated during this pandemic gave us respite during this difficult time.

The City Council and all of us that have enjoyed working with you wish you success.

From all of us – THANK YOU

Brittney Cannamore, Mayor
