

My name is James Stanford Kearns and I am seeking to fill the Gustavus City Council seat D.

My email address is jim@fairweatheradventures.net.

I have been a fulltime resident of Gustavus since May of 1988 and additionally spent my younger years in Gustavus as a summertime resident. My family was the original concessioners of Glacier Bay Lodge.

I am married to the lovely Julene Kearns and we have been married for the last 50 years. We have 6 children who grew up here in Gustavus and have 22 grandchildren and 6 greatgrandchildren. I have been a school teacher in Gustavus and currently Julene and I run a B&B/charterboat business. We are an authorized concessioner for Glacier Bay National Park.

I love this place we call home and want to pitch in and do my part. I really want to work to make the Gustavus dock a safe place with year round access for all and I advocate to get some of our main roads paved. Additionally I want to help improve our septage situation so we can continue to have a healthy living environment.
