

Meeting
Conservation Lands Advisory Committee
Subcommittee on TNC Forelands Preserve
Friday, March 14, 2025, 3:00 PM
Tidelines Institute on Good River Road
Public welcome to attend

Subcommittee members

Tanner Horst
Colleen Stansbury
Kathy Streveler

A subcommittee of the Conservation Lands Advisory Committee assigned to work on contacts with The Nature Conservancy of Alaska regarding the Gustavus Forelands Preserve will meet for a work session at the Tidelines Institute, 3:00 on Friday March 14, 2025. This is a public meeting. Interested members of the public are welcome to attend.

Discussion topics may include:

Building public awareness of and appreciation for the Gustavus Forelands Preserve

- Summer celebration of two decades of the Gustavus Forelands Preserve

Sustainability and Stewardship of the Gustavus Forelands Preserve

Potential Memorandum of Agreement between the City of Gustavus and The Nature Conservancy of Alaska

Other opportunities for partnership with The Nature Conservancy of Alaska in Gustavus

Note: this is a subcommittee work session to develop ideas for consideration by the full Conservation Lands Subcommittee at its April meeting.
