

## **This Month's COVID-19 Positive Tests in Gustavus**

**Month of May** – The City of Gustavus' COVID-19 Rapid Testing Program identified one positive test result for COVID-19. The individual has been advised to quarantine and contact any close contacts.

Currently there are *1* known cases in total. These numbers do not account for at-home testing positives.

### **Keep your friends and family safe by getting tested if you feel ill:**

COVID-19 symptoms are similar to the flu and seasonal allergies. Current symptoms include but are not limited to:

- Fever
- Runny nose
- Coughing
- Sore throat
- Muscle pain
- Fatigue

### **COVID-19 Testing Locations and Hours:**

Gustavus Volunteer Fire Department (hours are subject to change)

- Monday through Saturday 10am to 2pm
- Home Test verification available by appointment.

**If you think you have contracted COVID-19, do not go to the SEARHC clinic, call, and make an appointment first. 907-697-3008. Alternatively you can call the firehall 907-697-2707 to set up a testing appointment**
