

City of Gustavus, Alaska
Gustavus Volunteer Fire Department (GVFD)
Position Description

Title: Fire Chief

Position: Exempt Regular Full-time Position

The Fire Chief position is an exempt, full-time position. The Chief is expected to work approximately 40 hours per week, but with flexible hours to provide emergency response.

Supervisor: City Administrator

Supervises: Volunteer Assistant Chief, Fire Captain, Lead Dispatcher, and department volunteer responders.

Summary: The Fire Chief shall manage, lead, and command the Gustavus Volunteer Fire Department. EMS response is the majority of calls.

Essential Duties and Responsibilities:

Fire Chief is accountable for the following essential duties, but the Chief may delegate duties to department volunteers.

- Plans, coordinates, supervises and evaluates all department operations.
- Serves as an effective leader of the department volunteer responders developing with them a shared understanding of the role of the GVFD and its volunteers as an essential function within the City of Gustavus.
- Manages department administrative functions including inventories, maintenance records, training records, agency reporting, run sheets, ambulance billing, and HIPAA compliance assurance.
- Responds to emergency calls: Coordinates department resources for a proper and timely response. Is prepared to take the role of incident commander at major incidents.
- Assigns equipment and personnel for response to calls for outside aid where mutual aid agreements are in force and in other cases only when the absence of such equipment and personnel will not compromise the City's ability to provide fire protection and emergency medical services within the City of Gustavus.
- Conducts or coordinates maintenance of response vehicles, equipment, and station facilities to assure response readiness within approved budget. Maintains data for maintenance logs.
- Supervises all department responders, as well as temporary workers hired for special projects or tasks.
- Plans departmental operation with respect to equipment, apparatus, EMS supplies, company assignments, personnel, and safety requirements. supervises the implementation of such plans.
- Develops, maintains, and enforces department operating procedures governing discipline, training, maintenance, and operation of the GVFD.
- Acts as primary training officer, organizing and or leading regular Fire and EMS drills or training sessions at least three times per month.
- Coordinates with private, state, and federal training officers for the additional training of

department personnel. Maintains training records for GVFD responders.

- Prepares, in consultation with the City Administrator, City Treasurer and Mayor, the draft GVFD annual budget, including operational and capital requirements.
- Plans and oversees fire facility improvements within budget approved by City Council and makes recommendations for new or replacement facilities and equipment.
- Serves as GVFD purchasing agent. Controls departmental expenditures within Council-approved budget appropriations, in accordance with the City's purchasing policies and procedures and direction from the City Treasurer.
- Maintains necessary records and other controls over all response gear such as inventories, maintenance records, maps etc.
- Responsible for maintaining fire department facilities and equipment in clean, organized, safe, and ready condition.
- Conducts community outreach for fire prevention, emergency preparedness, pre-fire planning, fire extinguisher, first aid, and CPR training.
- Serves as the city representative with the National Park Service at Bartlett Cove regarding Fire and EMS protection and response.
- Arranges for the services of a medical director and coordinates with the medical director to provide for safety, effectiveness, and legal compliance in responses to medical emergencies.
- Prepares and submits a quarterly report of GVFD activities to the City Council. Prepares and submits other reports as requested by the Council, regarding the department's activities.
- Meets with elected or appointed officials, other Fire/EMS officials, community and business representatives and the public regarding GVFD activities.
- Assists the State Fire Marshal and other authorities in the investigation of the cause and origin of fires within City limits.
- Enforces applicable State fire protection and prevention regulations within the city as directed by the State Fire Marshal and as authorized by State law.
- As approved by the mayor, attends training, conferences, and meetings to keep abreast of current regulations, standards, and best practices.
- Develops and submits grant applications, in compliance with City policies and procedures, to support departmental operations, facility improvements and equipment purchases.
- Other job-related duties as assigned and agreed.

Required Minimum Qualifications - Education and Experience:

- Graduation from high school or GED equivalent. Advanced college-level training and degree desirable.
- Specialized training in fire department administration (desired).
- Prior work experience of a progressively responsible nature providing and managing firefighting and prevention, and/or emergency medical services, and/or hazardous material response including supervisory duties.

- Prior work experience recruiting, training, and supervising volunteers necessary to meet community needs for firefighting and prevention, and/or emergency medical services and/or hazardous material response (desired).
- General work experience involving leading, managing, training, and supervising workers or volunteers.

Desirable Knowledge, Skills, and Abilities:

Position requires familiarity with municipal government structure, roles, and processes, plus knowledge, skills, and abilities in:

- Modern fire suppression and prevention and emergency medical services principles, including procedures, techniques, and equipment.
- Identifying and applying laws, ordinances, departmental standard operating procedures and regulations necessary and appropriate to the provision of fire suppression and prevention and emergency medical services.
- Recruiting, training, and leading volunteer fire fighters and EMS responders in a small-town department (desired).
- Using tools and equipment needed for operation and maintenance of GVFD response equipment.
- Training and supervising subordinate personnel.
- Performing work requiring good physical condition.
- Communicating effectively orally and in writing.
- Exercising sound judgment in evaluating situations and in making decisions.
- Establishing and maintaining effective working relationships with Department volunteers, other City employees, the Council, supervisors, and the public.

Other Requirements:

- EMT-2 Certification; Advanced EMS certifications (desired).
- Fire Fighter I Certification (desired). Advanced Firefighter and Fire Officer certifications (desired).
- Possess or be able to obtain within one month of hire, a valid State of Alaska Driver's License.
- Eighteen years of age or older at time of hire.
- Ability to meet physical demands of emergency response activities in the Southeastern Alaskan environment.

Physical Demands:

The physical demands described here are representative of those the Fire Chief is expected to encounter.

- The Chief must frequently lift and/or move objects weighing up to 20 pounds, and occasionally up to 70 pounds.
- Vision requirements for this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.
- The Chief must hear well enough to discern oral and radio communications in a noisy emergency response environment.
- The Chief will be required to don, and perform work in, personal protective equipment including fire turn-out gear, self-contained breathing apparatus, air-purifying respirator, eye protection, and hearing protection.

Work Environment Conditions:

The work environment conditions described here are representative of those the Chief is expected to encounter while performing the essential job functions. The Chief's work is performed in the fire hall office, in public meetings, on the apparatus floor, in vehicles, and in outdoor settings, under all weather conditions, including temperature extremes, during day and night, and in emergency and stressful situations.

The Chief may also be exposed to the following work conditions and hazards:

- Cold and/or wet weather.
- Fire and explosion hazards.
- Airborne inhalation hazards including toxic smoke, gasses, vapors, dusts, mists, and fumes.
- Hazardous liquids such as petroleum products and toxic household or light industrial materials.
- Hazardous physical agents such as electric shock, noise (which may exceed 100 dBA for brief periods), whole body vibration, and heavy work in ergonomically awkward positions.
- Hazardous biological agents such as blood-borne pathogens

Tools and Equipment Used:

Emergency medical vehicles and equipment, EMS supplies, fire apparatus, fire pumps, hoses, and other standard firefighting equipment, ladders, emergency medical equipment, radio, pager, 911 communication system, computers, e-mail, phone, and facsimile.
