

Gustavus Library Newsletter

We are very excited to welcome our new Summer Reading Program Intern, Faith Wagner to the library team! Faith will be helping with weekly children's programs at the library, as well as special events for all ages. Be sure to say hello if you see her at the library!

Have you gotten your Summer Reading Chart yet? Read and complete activities of your choice to earn prizes at different locations around town! This challenge is for all ages, so adults, come get your chart too!

On top of our weekly Story Time (Tuesdays at 10:30) and Read with a Ranger Program (Wednesdays at 10:30), we have some special events coming up at the library. One of them involves ice cream...see page 8 for details.

Want to help? We are still looking for snacks and prizes to give out at our kids' programs and in our Teen Prize Bin. Interested in volunteering? Email Jen at jen.gardner@gustavus.lib.ak.us to find out what volunteer opportunities are currently available.

We realize that internet at the library has been spotty lately, and we are working with our tech company to resolve the issue. Thank you for your patience!

Need a fishing license? We can help you purchase your license through the Alaska Fish and Game website, and you can print it out at the library.

The Gustavus Public Library is getting a logo! Local Artist Kathy Hocker has been hard at work designing something that represents our unique library and community. We hope to do some printing by the end of the summer so you can get your very own Gustavus Public Library book bag!
