

**CITY OF GUSTAVUS, ALASKA
RESOLUTION 2012-02**

A Resolution Approving the Submission of a Capital Improvement Funding Request for the Improving Public Safety and DRC Efficiency Project

WHEREAS, the City of Gustavus Disposal and Recycling Center serves Gustavus as a model Integrated Resource Recovery and Waste Disposal Facility, and

WHEREAS, the DRC baler facility is undersized, unheated, lacks a scale house, and mixes customer traffic with facility industrial operations, and

WHEREAS, the DRC Advisory Committee and DRC Manager/Operator have designed improvements to customer service, safety, and efficiency of operations by rerouting and separating customer and process flows, and

WHEREAS, the new customer flow will provide for one-way traffic flow through the facility, eliminating congestion and vehicle backing, and

WHEREAS, the plan includes a small addition for a heated scale house and operator computer station separate from the process floor, and

WHEREAS, the new layout will include a fenced area and purchase of functional and attractive containers for pre- and post-processing of recyclables.

NOW THEREFORE BE IT RESOLVED that the Gustavus City Council approves the CIP funding request to the 2012 Alaska Legislature in the amount of \$93,200 for the Improving Public Safety and DRC Efficiency Project, and urges the Legislature and Governor to consider it favorably.

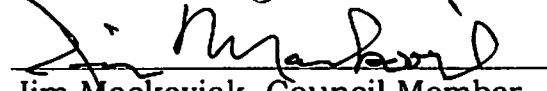

PASSED AND APPROVED by the Gustavus City Council this 12th day of January, 2012.
