Exclusions & Limitations

Construction/ demolition waste limits:

There is a 2 yard per month and a 10 yard per year limit on how much construction/demolition waste can be delivered by a business or individual. The purpose of this limit is to keep a few users from filling the disposal pit in a short period of time. The DRC can assist users to obtain a dumpster from Arrow Refuse in Juneau. This is a very expensive option.

Scrap metal limitations:

Due to storage concerns the DRC will not accept large quantities of scrap metal such as cars or other scrap metal that cannot be easily baled or palletized for recycling.

Used-oil limitations:

Due to permit and legal requirements the DRC cannot accept used oil from commercial sources.
