

Resolution of the City of Gustavus, Alaska
RESOLUTION NO. 2006-01

A Resolution of the City of Gustavus prioritizing sites within the City for the location of a New Diesel Power Generation Module for Gustavus to be used in conjunction with Gustavus Electric Company and the Falls Creek Hydro Project.

WHEREAS, representatives of the City of Gustavus have been in consultation with the Gustavus Electric Company, the Alaska Energy Authority and Alaska Energy and Engineering in regards to development of energy infrastructure upgrades in the community of Gustavus, and;

WHEREAS, the proposed energy infrastructure upgrades include a New Diesel Power Generation Module to replace the existing powerhouse, and;

WHEREAS, the City of Gustavus has an interest in the location of the New Diesel Power Generation Module due to its anticipated impact on adjacent properties and future development;

AND NOW THEREFORE BE IT RESOLVED that the City of Gustavus with this Resolution No. 2006-01 hereby designates the following locations for placement of the New Diesel Power Generation Module in priority order:

1. The area directly behind the DOT Maintenance building;
2. The area South and West of the DOT building, lands upon which the present Kindergarten building resides;
3. The lands South and West of the National Park's raised Septic and Drain Field;
4. An area within Parcel # 5, which lays Southwest of Hi Glen Road;

All priorities will be requested as City of Gustavus Municipal Entitlement lands.

PASSED and APPROVED by the Gustavus City Council this 9th day of November, 2006.

Resolution of the City of Gustavus, Alaska
RESOLUTION NO. 2006-01

*Amended
11/9/06*

A Resolution of the City of Gustavus prioritizing sites within the City for the location of a New Powerhouse for Gustavus Electric Company.

WHEREAS, representatives of the City of Gustavus have been in consultation with the Gustavus Electric Company and the Alaska Energy Authority in regards to development of energy infrastructure upgrades in the community of Gustavus, and;

WHEREAS, the proposed energy infrastructure upgrades include a new modular diesel powerhouse to replace the existing powerhouse, and;

WHEREAS, the City of Gustavus has in interest in the location of the new powerhouse due to its anticipated impact on adjacent properties and future development;

AND NOW THEREFORE BE IT RESOLVED that the City of Gustavus this Resolution No. 2006-01 hereby designates the following locations in priority order for the location of the new powerhouse:

1. DOT/FAA Building – depending upon negotiations with DOT over the demolition and removal of said building.
2. Acreage SW of the public school's raised drainfield.
3. An area within parcel #5, Northeast and across the main road from the Whalesong Lodge.

PASSED and APPROVED by the Gustavus City Council this 12th day of January, 2006.
